Developmental Responsiveness

Beaty utilizes a variety of social media platforms and call blasts to share information with parents
We have a variety of clubs and activities that are designed to meet the needs and offer something for every student to help them feel like they belong to the school

We have opportunities, through clubs, for students to become engaged in community service opportunities throughout the community

Our Student Government provides our students with opportunities to voice their opinions about the school and events for the school

Social Equity

On a daily basis, we have teachers who are striving to engage students through the use of technology

Our counselors offer programs that are designed to teach our students how to respect each other's differences, how to be respectful and appreciate difference cultures and races

Organizational Support

Our Master Schedule allows time for teachers to plan together and to ensure that one teacher has all the students per grade level

Ours teacher work together in teams and plan a variety of cross curricular activities
