Developmental Responsiveness

- At Berry Miller Junior High School, we provide students opportunities to make connections and explore personal interests.
- Social media, online organizational tools for parents and students, digital signage, personal phone calls and postcards are regularly used to communicate with parents and our community about the wonderful things happening at school.
- Service oriented activities take students into the community to address social issues around us.

Social Equity

- At Berry Miller Junior High School, we develop awareness and acceptance of the diversity in our community and celebrate the richness of the many backgrounds and life experiences of our students and community.
- Teachers are provided lessons, activities, video images and stories to tell the story of the contributions of those who have gone before us from every nation, race and creed.
- Resources, technology and opportunities for participation are extended to all students and families to ensure unity of purpose and opportunity for all

Organizational Support

- At Berry Miller Junior High School, everything we do is filtered through the lens of our mission and vision for student well-being and success.
- We provided a safe and nurturing environment protecting physical spaces and fostering mindful and healthy bodies and minds through education and community engagement.
- We seek and find ways to support every learner, meeting them where they are and guiding to continuous progress.
- We seek continuous improvement in every area of academic, social and community life!
