School Characteristics and Replicable Practices

Academic Excellence

At Ray Wiltsey Middle School, we stress safe, responsible, and respectful expectations to empower students to become globally-

minded citizens who are developing the skills to think critically, demonstrate creativity, show compassion, and solve problems collaboratively, through the lens of service learning.

Developmental Responsiveness

The IB Programme serves as a framework designed to "develop inquiring, knowledgeable, and caring young people who help create a better and more peaceful world through intercultural

understanding and respect." At the heart of the IB Programme at Wiltsey Middle School is a commitment to structured inquiry as a vehicle for learning. This world-class international academic opportunity encourages students to become compassionate and reflective lifelong learners who are open-minded and considerate of all cultures and people.

Social Equity

Through the lens of IB, students focus on the 10 Learner Profiles and teachers develop lessons around the IB Areas of Interaction. This process ensures that our students gain a deeper understanding and respect for other cultures and their role as change agents in their world. In an effort to promote global citizenship, Wiltsey IB students engage in self-directed inquiry and problem-solving within a global context, culminating in a community service project, both locally and internationally.
